Last Updated Tuesday, 10 April 2007

After 3 years of our homepage being a jumble of static pages, we've converted to a more modern system. Hopefully, this will ensure that our pages are updated more often. We haven't converted all the content yet, but that will be coming over the next few weeks.

Much of our content is only available in Danish, since it's primarily interesting for people in Denmark, but feel free to study the pretty pictures
